Thunderstorm Advisory in Effect

The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 8 a.m. this morning. Thunderstorms are possible or occurring within 20 nautical miles of the airport. Be alert and take precautions as required. If lightning is seen or thunder is heard, remain indoors.

For Guam, it is expected to be partly sunny with scattered showers and isolated thunderstorms today. It is then expected to be mostly cloudy with isolated showers and thunderstorms in the evening, then scattered showers and isolated thunderstorms after midnight.

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) remind the community to practice caution while traveling on wet roads, driving below the speed limit and allowing enough braking distance between vehicles.
